Experience

ThinkPublic / London, UK

—
Freelance Design Research and Writing, May 2008 - present

Design21 Social Design Network / New York

—
Voluntary Design Research and Writing, June 2007 - present

E-Cultura / Madrid, Spain

—
Freelance Design Research, Nov 2007

Working for the Creative Director, I produced a research document and concept ideas for the design team on their project bid for *The Museum of Fire.*

Inhabitat.com / New York, USA

—
Freelance Design Research and Writing, July 2007 - present

Posting regular articles and design news for leading U.S sustainable design weblog.
Organised voluntary designers for the coverage of 2007 London Design Festival.

Thriving.org / Hampshire, UK

—
Freelance Graphic Designer, Aug 2006 - May 2007

For six months I worked on the branding and identity for non-profit initiative Thriving.org. I was solely responsible for the web developer's work and had direct co-ordination with the client.

Aura Events Ltd / London

—
Freelance Event Photographer, Dec 2006 & May 2007

Main photographer at *The Think Ball 2007*, held at Old Billingsgate Market and *Bain & Company's 2006 Christmas Party*, at Camden Roundhouse.

Synectics Ltd / London

—
Junior Graphic Designer [Internship], March - May 2007

Designed advertorial promotion for the launch of i-spark.com (featured in The Guardian), redesigned Altran Technologies' internal publication *The Messenger* and designed a number of project-bids with support documentation.

The Sunday Times Magazine / London

—
Junior Graphic Designer, Nov 2006 - Feb 2007

During my time with the magazine I was heavily involved in editorial concepts and layouts for The Sunday Times Magazine and The Times Culture International Newspaper. Assisting the Art Director I became the primary designer of the four week part-work *Your Brain: How to Use It*, where I was responsible for editorial design, typographic layout and art direction of the cover shoot.
